Possible awareness raising events were considered to coincide with volunteers working in the garden. The University Grand Challenge, "Beyond Conflict", may offer a summer garden party opportunity.

No progress to report.

Boundary Changes

The current review implied a reduction in the number of wards from 18 to 13 and the number of councillors from 40 to 39, 3 per ward.

It was agreed that any proposal which threatened the integrity of St James should be resisted.

PL to prepare a response for submission to the Local Government Boundary Commission which would indicate, should change be implemented, support for the retention of St James as a 2 member ward within a redefined Duryard.

The meeting closed at 11.00am.
