## 7 Exeter St James Community Trust/Exeter St James Forum

Nothing to report.

## 8 Queen's Crescent Garden

RC stated no progress to report regarding the CPO. ECC still preparing a Statement of Reasons, the formal document required to acquire the land. Fergus Charlton, solicitor, who had offered advice had left Foot Anstey and was therefore no longer available to assist. It was hoped a replacement could be found.

Cllr. Owen had advised that structural damage to two trees represented a dangerous hazard. Devon Tree Services were offering to deal with one tree free of charge but the other, condemned as unsafe, would need to be partially felled at a cost £1250 + VAT. Directors resolved, in the absence of any legal title or responsibility, that the Trust would not accept liability.

St Sidwell's Primary School pupils would each be planting a bulb in the garden borders as part of their Harvest festival celebrations on 9 October. Further work was required beforehand to clear weeds and glass. Fly-tipping still a problem.

ECC to be approached about the possibility of a noticeboard for the garden.

## 9 St James Vegetable Gardens

DB reported that progress had been made towards securing the commencement of a three year rolling lease with NR from 1 October. Some issues remained outstanding:

- responsibility for fencing

- sub-letting
- approval by NR of insurance arrangements

NR's response was awaited. Once all matters were satisfactorily completed the Chair and Secretary would sign the lease on behalf of the Trust.

Directors insisted that the requirement to hold an annual public access event should be incorporated in a formal document, preferably the Allotment Group's constitution.

10 **Date of Meeting**

The next meeting of the Board: Tuesday 17 November 2015 at 10.00am.

11 **AOB:**

At this, her last meeting, Directors expressed unanimous gratitude to Di Boston for successfully securing the establishment of the Trust and for ably leading the Board in its first year of existence. On behalf of all shareholder members we record our sincere thanks for the energy and commitment she has shown in seeking to make St James a better place.

The meeting closed at 12.10pm.
